

# Backgrounds - Patterns

Hello and thank you for purchasing our product! We highly recommend you to read through this guide before using the package.

It is extremely easy to use:

- Open or import **Backgrounds - Patterns.aep** in After Effects
- You can see all the available elements in the Project window, all of them can be used and adjusted in the same manner
- Drag & drop a composition to the timeline
- Open the composition and select **an orange \_controller** layer to adjust the available parameters
- All the elements are auto-resizable, so you can use any resolution and aspect ratio

This package is a part of the [Backgrounds Bundle](#), purchase it and get much more stories to use!
