Colorful Stories Pack

After Effects stories pack for creating a fashion trailer, a new collection presentation, TV opener, Instagram promo. It consists of 15 templates.

It's design is based on the shape of the circle. The circle is considered a symbol of unity, integration and protection. It is also the symbol of infinity, without beginning or end, that's why it implies movement (such as a wheel). The shape is connected with energy and power, yet feels playful and friendly.

Engage your audience with a professional trendy look, dynamic and informative video. Deliver your idea during the first few seconds and direct their attention using our visual effects.

How to edit a project.

- 1) To edit a project, open the Edit folder. In it, you will see compositions with text and images that you can change. All of them are marked on the timeline, so you can edit the project sequentially and not get confused

- 2) for example, open the song Stories_7. Text editing layers are highlighted in green. Double click and you will be able to enter your text. In addition, you can see the composition for your placeholder on the timeline or in the Stories_7 folder. Open it to insert your photos or videos.

Other compositions in the project are edited using the same principle.
