

Hello, dear colleagues!

Thanks for buying this template.

It's really easy to customize:

1. Open folder "01 Edit".

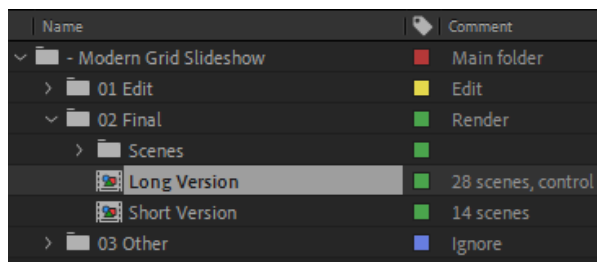

1.1 Put your photo or video in compositions of folder "Image".

1.2 Put your Logo in compositions of folder "Logo".

1.3 Put your music track in composition "Music" (folder "Music").

1.4 Edit text layers in compositions of folder "Text".

2. Open folder "02 Final", composition "Long Version".

2.1 Edit some settings in "Control" layer (Effect Controls panel) if you want.

2.2 Select version of duration what you need and render final result!
