

# Hi! Thanks for purchasing!

## 1. Open template

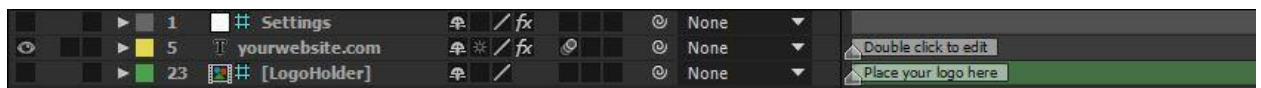

## 2. Place your logo

At first you should import logo in composition “LogoHolder”.

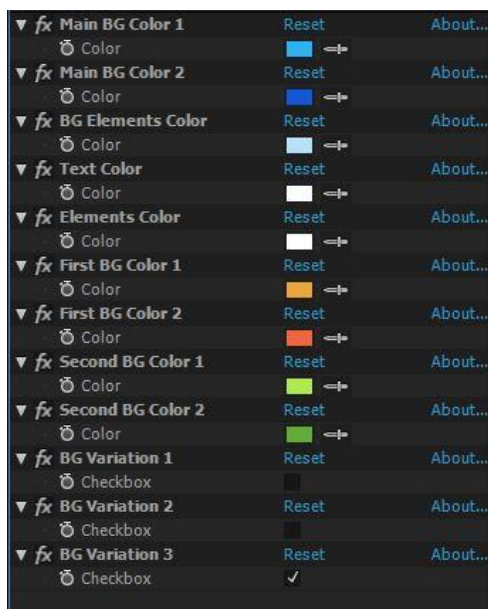

## 3. Edit text

Double click on text layer to edit.

## 4. Change colors

Customize colors through layer “Settings”.

Finally, render composition “Shape Color Logo Opener”.

That's all!

## 4. Other information

If you like this project, please rate item here: <https://videohive.net/downloads>

Soundtrack you can find here: <https://audiojungle.net/item/minimal-logo/20191447>
