Hello, dear colleagues! Thanks for buying this template.
NOTE! This project has been created only for After Effects. Before starting, unzip archive!
Included versions:

- FullHD 1920x1080, 27s

It's really easy to customize:

1. Open the project ShortEventPromo.aep
2. Edit text (not delete text layer) in compositions in folders "2. Edit/FullHD 1920x1080/Scene xx/_Texts xx/"
3. Place your images in compositions "2. Edit/FullHD 1920x1080/Scene xx/_Images xx/"
4. Place your logo in composition "2. Edit/_Logo"
5. Color settings in compositions "1. Render/Fullhd 1920x0180/FullHD 1920x1080" layer “Settings”
6. After that - render compositions "1. Render/FullHD 1920x1080"

Soundtrack you can find here https://audiojungle.net/item/motivational-corporate/18825915
Font “Raleway” you can find here https://fonts.google.com/specimen/Raleway?selection.family=Raleway

Thats all. Hope you like it and again - thanks for buying.
