Hello!

Thanks for purchasing this **«Flat Lines Lower Thirds»** much appreciated and I hope this project will fit your needs!

It's really easy to customize:

1. Choose any lower third comp "LW_1-10".
2. Edit text layers in "LW_1-10" compositions.
3. Place your logo in "Your Logo" comp.
4. After that, drag and drop lower third composition, which you choose previously "LW_1-10" in your footage and render comp.

You can easily change colors with «COLOR CONTROL» layer in "Preview Window" comp.

Do NOT create *any layers in "Preview Window" composition!*
