

Hello, dear colleague!

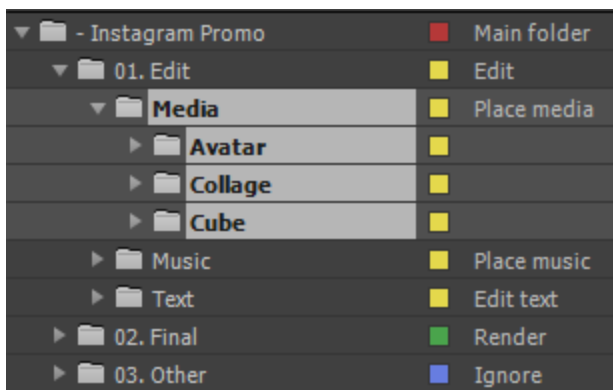

Thanks for buying this template.

It's really easy to customize:

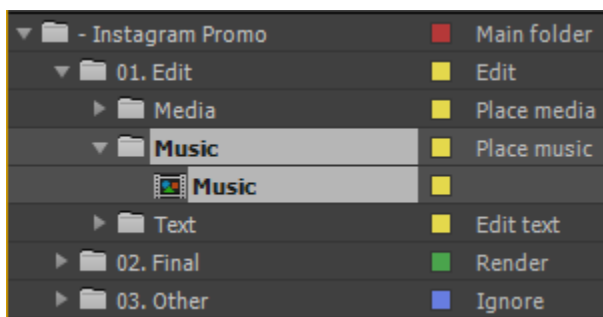

1. Open folder "01 Edit".

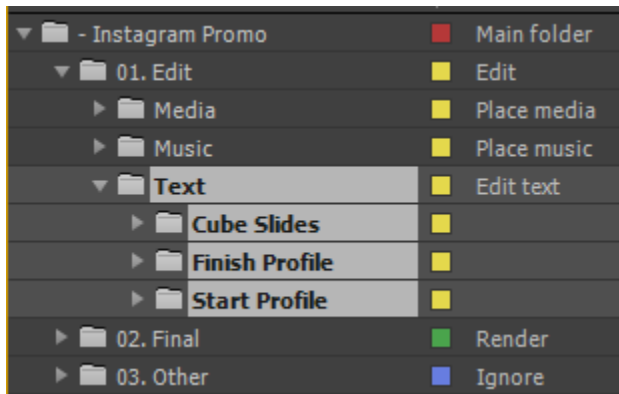

1.1. Put your Media in compositions of folders "Media" -> "Avatar", "Collage", "Cube".

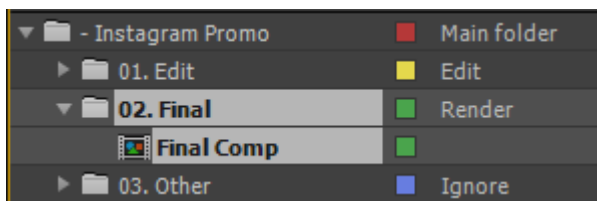

1.2. Put Music in composition "Music" (folder "Music").

1.3. Edit text layers in compositions of folders "Text" -> "Cube Slides", "Finish Profile", "Start Profile".

2. Open folder "02 Final", composition "Final Comp", render final result and enjoy!

Soundtrack you can find here:
