HOW TO FIX SECURITY ISSUE ON Animation Retimer

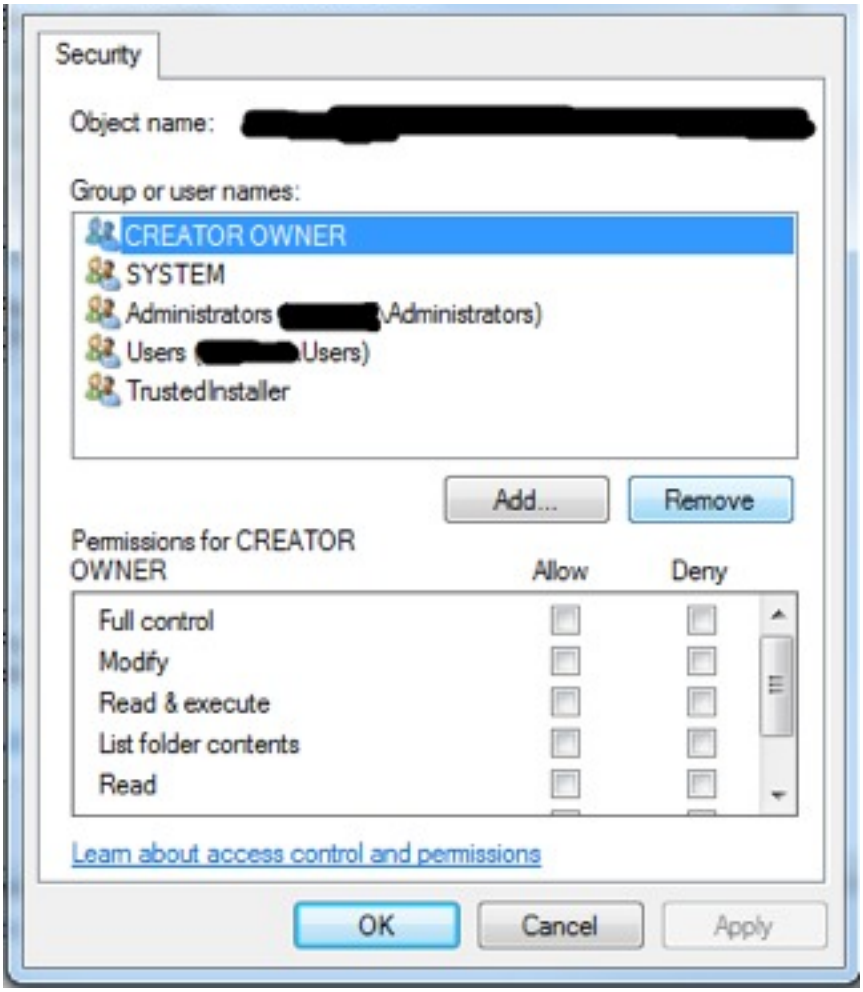

1) locate your cinema4d plugin folder

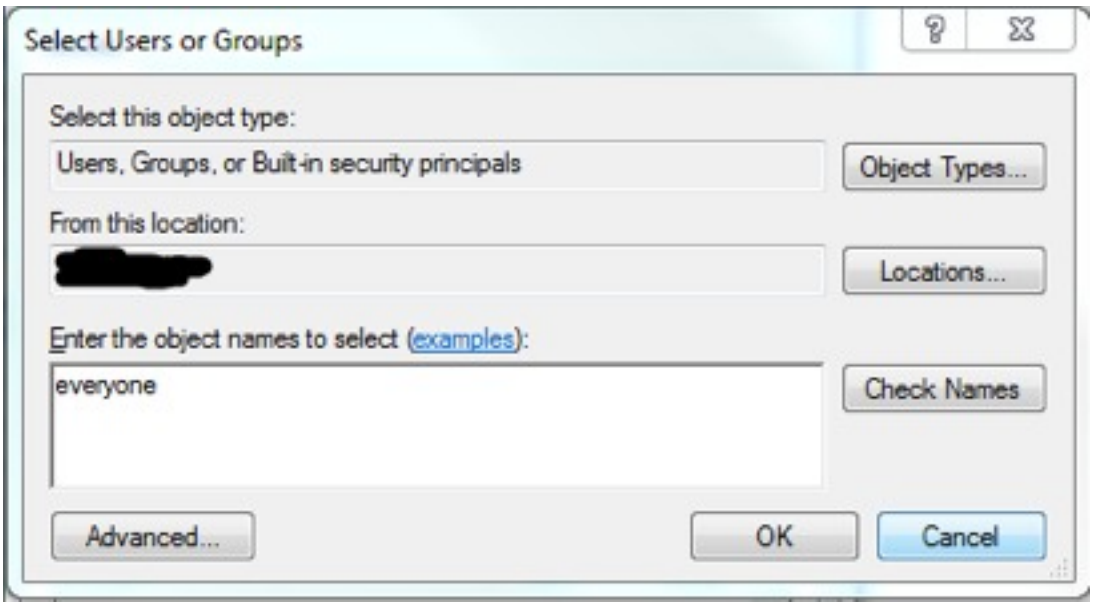

2) Left Click on folder Animation Retimer then click **properties**
3) go to **Security TAB**
4) Click **Edit**

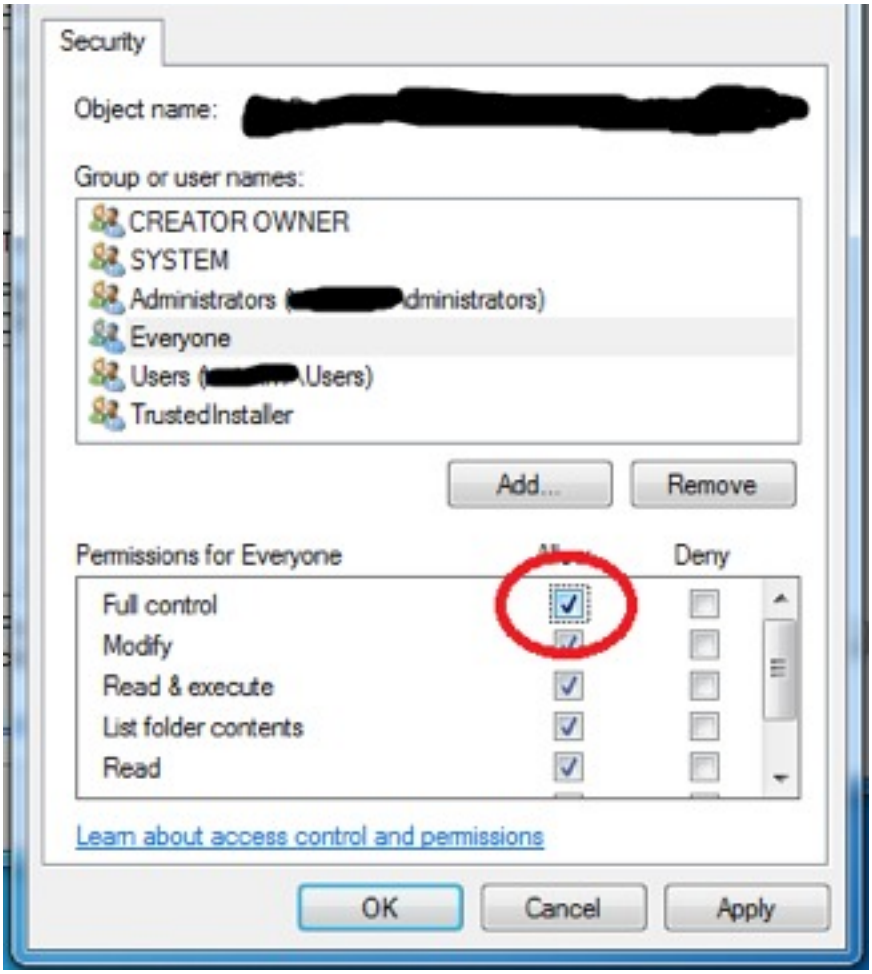

5) click **Add**

6) enter name **everyone** on textbox and than **click ok**

7) click on **FullControll** (the flag must be enable)

8) click **ok**
9) open c4d and try to activate Animation Retimer
DO NOT REQUEST ANOTHER ACTIVATION KEY, USE THE KEY GENERATED FIRST TIME

Thanks for purchasing Animation Retimer
