Social Pack

Free Video Editing Assets

License and Use

Use Instructions

With the social pack, you have access to free social story templates, animated motion graphics templates, and animated icons for social media marketing design. Each facet of this collection comes with different needs and uses. The .mogrt files will only work with Adobe premiere, but the animated icons will work with any video editing software.

License

You may not sell, transfer, share, give away or sublease the social pack to any other party. You may not resell the social pack by itself or as part of a package except as embodied within your own Project. You may not resell the social pack (or otherwise make it available) within a downloadable template where someone would be able to download them separately such as in ecard templates or a website template. You may not resell the social pack (or otherwise make them available) individually or as part of any competing product such as third-party plugins or presets. You may not resell the social pack (or otherwise make it available) as your own product, even if it has been transformed, modified, remixed or edited in any way.
