Getting Started

Download and Import SFX

After downloading the SCI-FI UI SFX pack, you can then import the sound effects into your NLE of choice. As the SFX are traditional .WAV files, they are compatible with nearly every non-linear editor.

Import the sound effects into your NLE, and drag-and-drop them into the audio layers.

Sound Effects License

Non-Exclusive License

This is a non-exclusive license, whereby PremiumBeat grants you a limited right to use certain Sound Effects (SFX). The licensed Sound Effects shall hereby be referred to as the “Recording”. This license is valid for perpetuity and for the World. You can use the Recording for as long as you want, with as many projects as you want (excluding templates), with no additional payments.

Sound Effects Usage

The Sound Effects license allows you to use the Recording with any type of New Media Project or any type of Traditional Media Project such as TV/Radio program and TV/Radio advertising, DVD or CD Mass Duplication, Theatrical/Film, iPhone / iPad / Smartphone applications and games, and web-based online video games. For the purpose of this Agreement, a New Media Project is defined as a production or project which makes use of new media or multi-media platforms, including web site background sound track, Podcasts, Flash animations and presentations, online tutorials, e-learning tools, slide-shows, website videos, corporate training videos, Powerpoint presentations, multimedia CD-Roms, promotional DVDs, software demos, video blogs, online video sharing (YouTube, Vimeo, etc.).

Personal or Professional Use

This license is for your own personal or organization usage only, which can be personal or professional. You may use the Recording for your personal Projects and for professional Projects you undertake for your clients or for your employer.

Limitations of Use

You may not sell, transfer, share, give away or sublease the license agreement or the Recordings to any other party. You may not resell the Recording by itself or as part of a package except as embodied within your own Project. You may not resell the Recording (or otherwise make it available) within a downloadable template where someone would be able to download the sound file as a separate file, such as in ecard templates or a website templates. You may not resell the Recording (or otherwise make it available) individually or as part of any competing product such as Sound Effects compilation or Sound Effects library. You may not resell the Recording (or otherwise make it available) as your own Sound Effects, even if it has been transformed, modified, remixed or edited in any way, or if you add other instruments or a voice to the sound effects.
