Hello! Thank you for purchasing!  
This is very simple After Effects project for using.

## Logo

Import your logo in the project.  
Open **Logo\_Placeholder** composition. Drag and drop your logo to the timeline.  
Place it in the center of composition space.  
Double click a text layer and type your text for tagline.

## Customization

Open **Render\_Composition** composition. Select **CONTROLS** layer.  
There are color controls in the Effect Controls Window. You can adjust them.

Render this composition.

That's all!  
If you have any questions please contact me through my profile page.

Thank you!
