Hello!

Thanks for purchasing this **«Industrial Construction Slides»** much appreciated and I hope this project will fit your needs!

It's really easy to customize:

1. Place your videos or images in "Placeholder_01-12" compositions.
2. Edit texts in "Text_01-12" folders.
3. You can easily change colors with «COLOR CONTROL» layer in "_EDIT_COLOR" composition.
4. After that, render "_FINAL_RENDER" composition.

Font that, I've used – Bebas Neue. (free download)

If you have any questions - please, contact me via my personal page.

In addition, if you need customization for after effects templates please contact me from my profile page.
