Instruction Steps

-------------------Here are a few instructions that will help -----------------

Open Premiere Pro Essential Graphics panel

Open Premiere Pro Essential Graphics panel and import your MOGRT file
Drag into timeline and open edit panel

Import your media and drag to media placement

You can change colors on "CONTROL PANEL"

You can edit all text on **EDIT** panel

---------------------------------**AUDIO** ---------------------------------

In Premiere Pro click on the menu option: File > Import > File (search the audio file, click on it, then click Open). Drag and drop your audio in timeline.

--------------------------------RENDER VIDEO--------------------------------

Click on the menu option Export > Media... to render queue

Select the desired output format and the video location. Click on Export option.
