

PROJECT FEATURES:

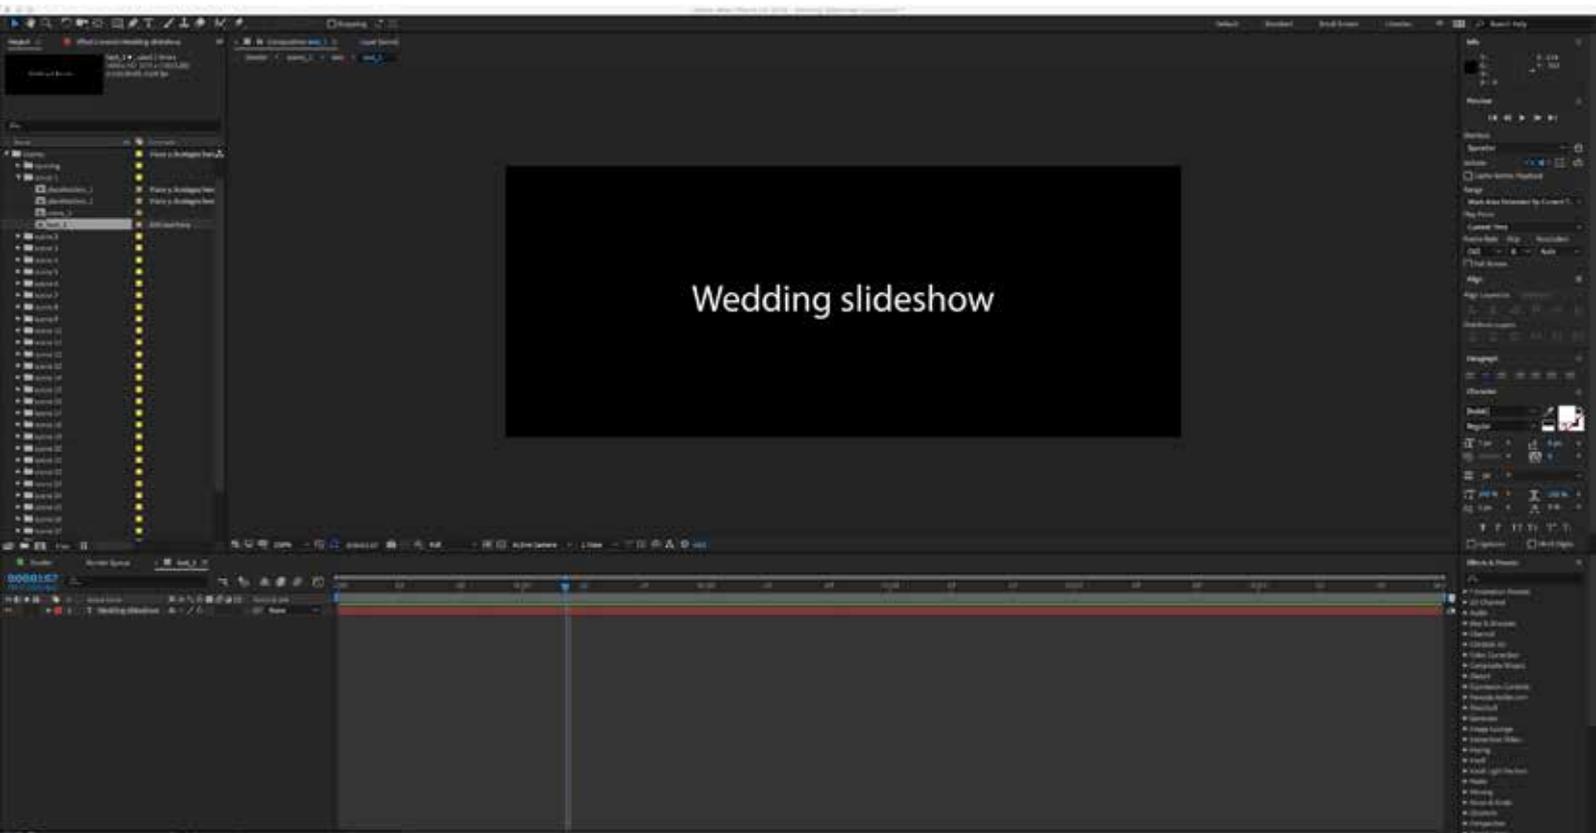

- **Modular structure**
- **Full HD resolution (1920×1080)**
- **No plugins**
- **48 Placeholders**
- **32 Text places**
- **Easy to edit**
- **Music not included**
- **Help file included**
- **CS6, CC or higher**

THE PROJECT REALLY EASY TO CUSTOMIZE:

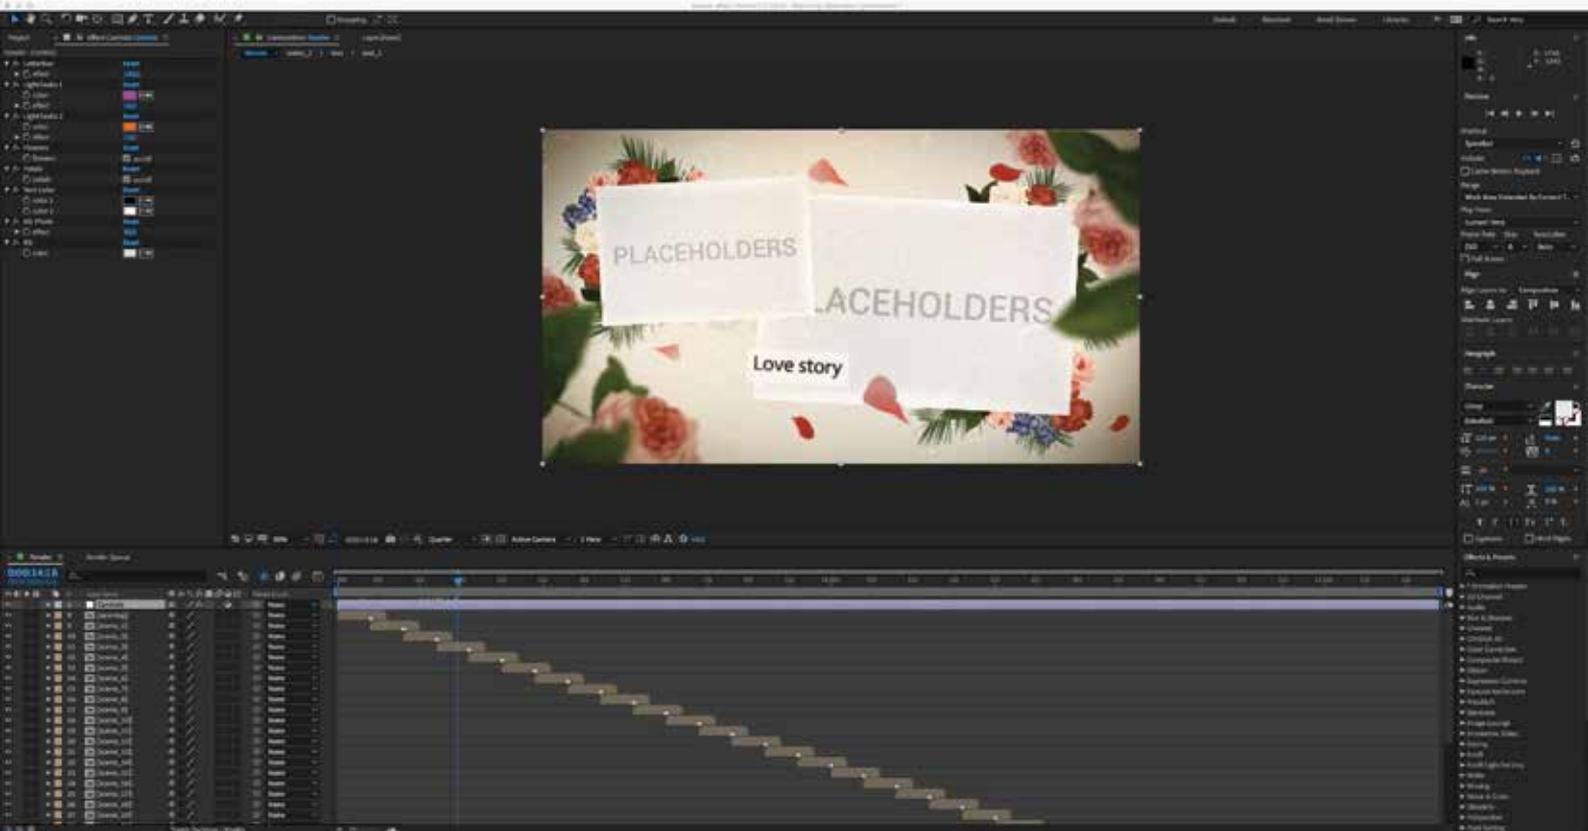

1. Place your footages in compositions "placeholders 1-48"

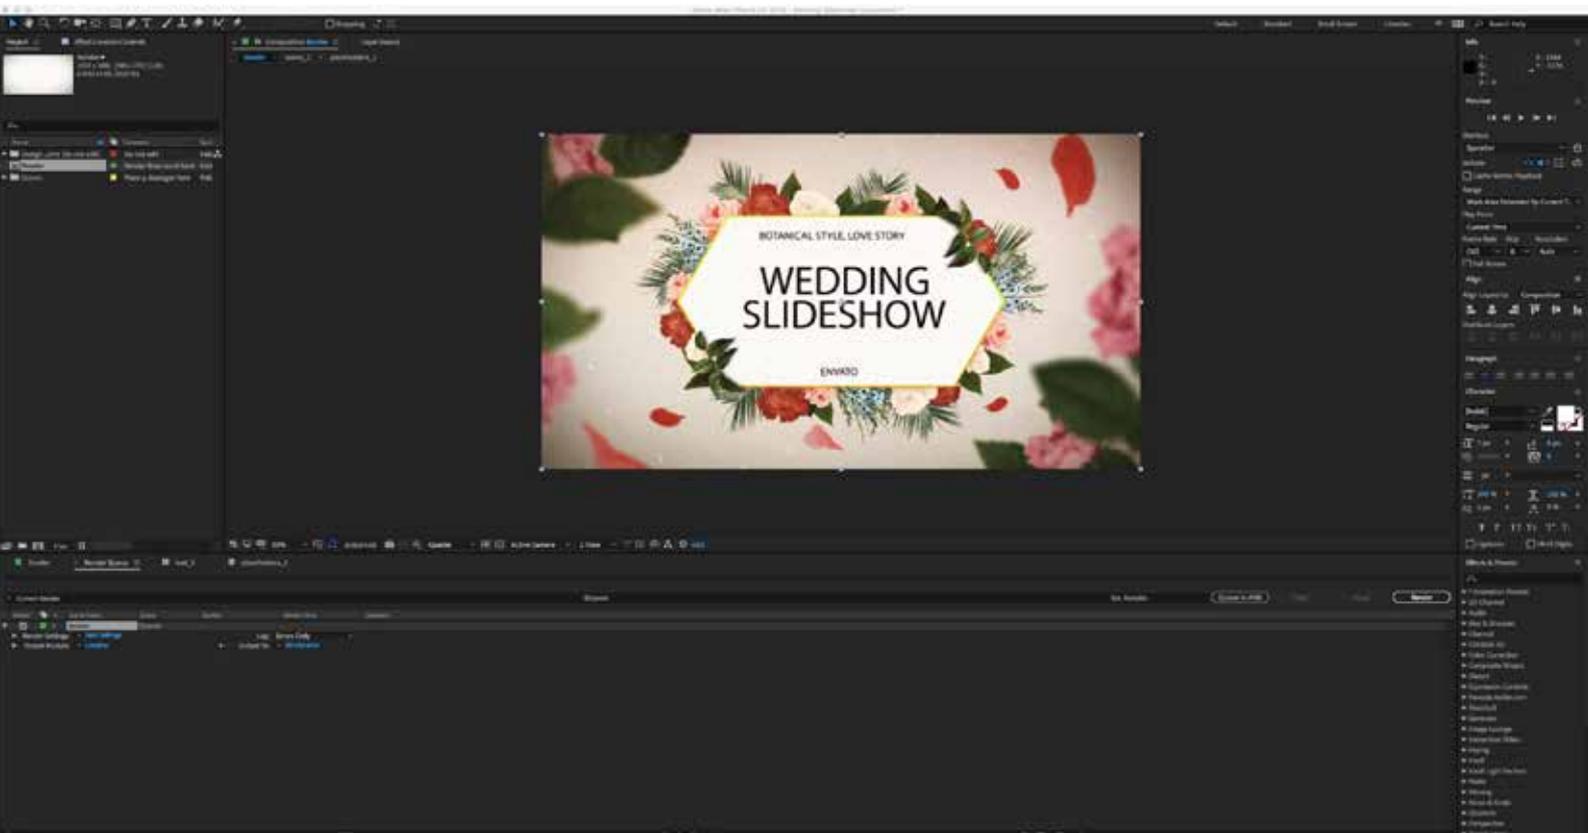

2. Edit text in compositions "text 1-32" for inscriptions

3. Layer "Controls". This layer is responsible for the visual settings. Everything changes fairly conveniently in a few clicks

4. Render composition "Render" to get the final result
